### **Kalmar Ottawa & Mid-Pacific Industries Support Area Big Brothers Big Sisters**

**Ottawa, KS, December 10, 2018** – Kalmar Ottawa was proud to partner with Mid-Pacific Industries to present checks of \$2,500 to area Big Brothers Big Sisters organizations in Ottawa, KS and Sacramento, CA. Mid-Pacific Industries was selected as the Honorary Premier Partner at this past year’s dealer meeting after achieving the status of Premier Partner, an annual award to dealers who meet sales, parts and service goals for the prior year. Kalmar Ottawa first began the tradition of Honorary Premier Partner in 2015 and looks to continue.

“We continuously look for ways to support the communities around us and our dealer body,” says Doug Queen, VP Solution Sales, Terminal Tractors. “As we celebrated the past 60 years in 2018, it seems like the perfect opportunity to invest in the future, the children of our communities.”

As the world’s leader in terminal tractors offering the most comprehensive range of models for warehouse and distribution operations, ports and rail terminals, Kalmar Ottawa celebrated 60 years of innovation in 2018.

Beyond being the original manufacturer of terminal tractors, Kalmar Ottawa was the first to offer machines with an automatic transmission, a rear door entry, integral air conditioning units, power cab tilt and ABS brake systems. Kalmar Ottawa terminal tractors were also the first on the market to receive DOT/EPA certification – a paramount classification for distribution and industrial customers whose operation entails shunting trailers between yards via public streets and roadways. In May 2018, Kalmar Ottawa added to the portfolio a fully electric terminal tractor, also known as the T2E.

The Kalmar Ottawa dealer network provides sales, service and support from over 170 locations throughout North America. A complete listing and search tool for locating Kalmar Ottawa dealers can be found at [www.kalmarottawa.com](http://www.kalmarottawa.com).
